TRANSFER JET PHOSPHOR-GLOW

Transfer Paper to print T-shirts with self-glowing images with Ink Jet Printers

Special coated paper to print your own designs that glow for a number of hours, onto black, coloured or white T-shirts, caps, or any other cotton based fabric. Your image can even be printed in high resolution. After printing, transfer the carrier image with the use of a household iron onto the fabric.

Characteristic

- Suitable for Ink Jet Printer
- Instant dry coating
- Heat-Press activation
- Electric Iron activation

Specifications
